

Senior School Uniform Policy

Overview

Wearing uniform is a shared expectation for all GIC Senior students. A consistent uniform promotes a sense of belonging, supports a purposeful learning environment, and ensures students are ready to learn from the moment they arrive.

Daily School Uniform

- White shirt — collared, button-front (not a polo), short-sleeved, clean, washed and ironed, with the GIC badge on the left breast pocket. White shirts are widely available in Galle.
- Trousers, shorts or skirt in olive green, khaki or brown tones — knee length or longer
- Shoes, sandals or flip flops — to be worn when moving around the building and at arrival and departure
- A plain pullover, cardigan or jumper may be worn on cooler days — dark colour, no hood, no large logos or branding

Not permitted: hoodies, hats inside, cargo shorts/trousers, sports shorts, or polo shirts.

PE Uniform

- Comfortable shirt suitable for exercise
- Loose-fitting sport shorts — at least mid-thigh length
- Appropriate running or sports shoes
- Students are encouraged to use sunscreen and wear a hat during outdoor PE

PE in Lessons 1 or 2: students may arrive in PE uniform PE in Lessons 5 or 6: students must arrive in school uniform, change for PE, and may go home in PE kit.

Art Lessons

Students should bring an apron or an old shirt that can be stained for art lessons involving paint, glue, or other materials.

Getting Your Uniform

GIC emblems can be purchased from the school office. Trousers, shorts and skirts in the appropriate colour range are widely available in Galle. We recommend at least three sets of uniform per student.

Monitoring and Communication

- Uniform is checked each morning during registration
- If a student arrives out of uniform without a prior explanation from a parent or guardian, it will be recorded and after several instances a reminder of uniform expectations will be sent home.
